

# Dan Anderson

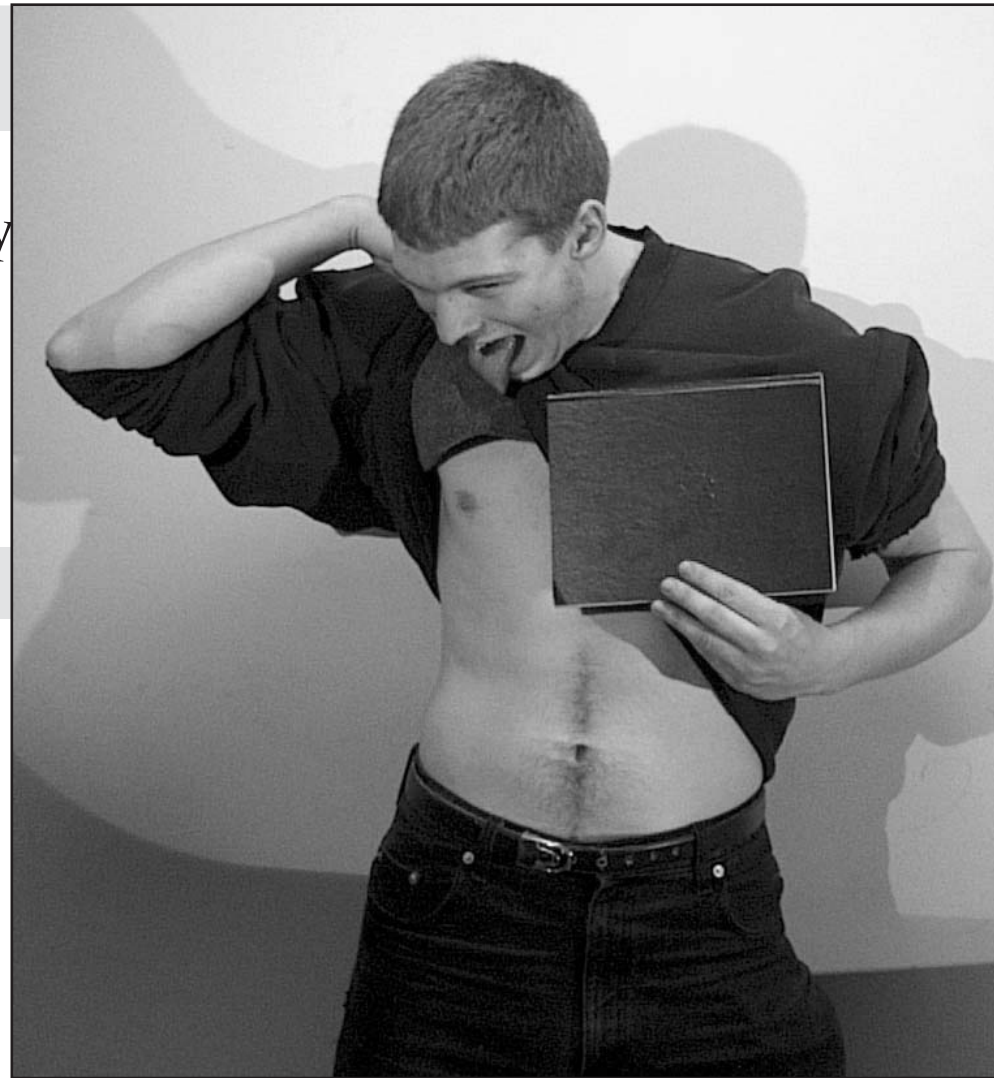

**“B is for Beer”**

**If you get drunk enough to elect me,  
I will:**

- Make my job superfluous by cutting off all external ties
- Organize external promotion trips to the Guinness brewery in Ireland
- Control our rampant cannibalism problem via poisoned bait
- Get really loaded every weekend

**You should vote for my drunken ass because:**

- I'm an outie
- I'm a 432 Editor
- If you really love me you'll do this for me
- Come on, everybody else is voting for me!
