**“Twice the Brainpower!”**

## **If you get drunk enough to elect me, I will:**

- Use UBC as a stepping stone to world domination
- Replace those sissy referenda with Celebrity Deathmatches.
- Use the Rod of Democracy for evil, never good
- Get really loaded every weekend

## **You should vote for my drunken ass because:**

- Two power-drunk megalomaniacal heads are better than one
- I might be corrupt and useless, but at least I'm honest about it
- I possess the mystical ability to transform beer into urine
